

# Webb Dock Works Advisory Notice

Port of Melbourne  
Corporation

## Todd Road Weekend Closures

FROM 8PM FRIDAY TO 5AM MONDAY

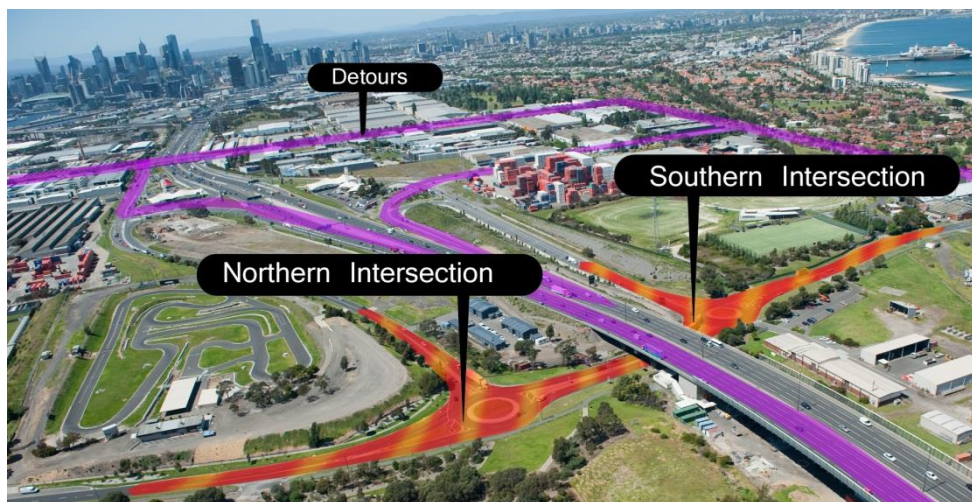

Closure 1: **AUGUST 22 to 25**

Closure 3: **SEPTEMBER 5 to 8**

Closure 2: **AUGUST 29 to 1 SEPTEMBER**

Closure 4: **SEPTEMBER 12 to 15**

As part of the Port Capacity Project at Webb Dock, works along Todd Road have been scheduled to commence the conversion of the existing roundabouts to fully controlled intersections.

The nature of the works requires the full closure of Todd Road over four weekends during which time traffic diversions will be in operation. **Access to and from Webb Dock and businesses in proximity to the works will be maintained** via these detour routes which have been approved by VicRoads.

The enclosed brochure shows the detour routes for each of the weekend closures which will commence with the northern roundabout before moving to the southern roundabout and along Todd Road, north of Williamstown Road. We would be grateful if you would please distribute the enclosed brochure to your staff, drivers and customers.

Live works updates can also be accessed at:
